## BUBBLE RUN SUCCESS!

Written by: Jessica Muñoz, 8th grade Olivia Perez, 7th grade

The Bubble Run was a great success for Saint Joseph School, Our school raised over \$50,000. Our event had many stations, such as; foam pits, relay races, and a DJ. Everyone had a bunch of fun, especially the students. While interviewing Emily Meza in 8th grade, she said that "The Bubble Run was fun and that she liked the DJ's *Simon Says* station. I also interviewed Ms. Magana in third grade. She said her favorite part was the DJ because she loves to dance and the foam pit. The bubble run was a fun time for many including kindergarten who had raised the most money and won a pizza party. Even though they won, the whole school had so much fun with all the activities like the foam, Simon Says, hula hoop races, and much more. We would like to give a big thank you to our teachers, PTO, parent volunteers, and the City of La Puente for making our Bubble run a huge success!

# RED RIBBION WEEK

Written by... Camila Castillo, Emiley Pantoja, and Jaqueline Avalos

Red Ribbon Week is where we promote drug abuse prevention. Our School celebrated by wearing different attire each day. On Monday, the theme was "Put Drugs to Rest," so we wore pajamas to school. Tuesday was "Put Drugs in The Past," and we dressed for our favorite decade. Wednesday, we dressed up as your favorite book character. On Thursday, we wore hoodies from the college or university we hope to attend in the future. Red Ribbon Week is not only celebrated here but is one of the largest anti-drug use campaigns and focuses on understanding and promoting drug-free life for people everywhere. Many people explained it to be a fun and exciting time to dress up as their favorite characters, for decades, and show off their dream school while also understanding the importance of anti-drug abuse.

# Say No To Drugs

**Be Educated about drugs. students wore their favorite college gear!**

Don't let drugs blow your future!

# ALL SAINTS DAY

Written by... All Saints Day Jacqueline A. Mila  
C. Chloe R

All Saints' Day took place on Tuesday, November 1. As the day approached, all teachers reminded us to dress appropriately as a saint. As we all were dressed as saints, we had a parade to start the day off. Then, we went to mass to celebrate all the holy men and women. All of the classes had projects and presentations as of our saint. 5th and 6th graders went inside the hall and presented their saints to the whole school and they showed us the early life, the patron saint, etc.

One cannot possibly understand the teaching of the saints unless one has a pure mind and is trying to imitate their life.

# DAY OF THE DEAD

Dia de los Muertos was celebrated with a door decorating competition at our school. The Fathers of the Church were the judges for the competition. The winner of the door decorating was Kindergarten.

The saints are in our thoughts and may they keep guiding us.

# SPORTS

Written by: Grace Perez, and Emily Meza

*So let's talk about our sports season so far Volleyball team had a great season they worked hard as a team and they won their scrimmage game. So far we have gone through Volleyball and Football. Volleyball had a team of 8th, 7th, 6th, and 5th graders. Hopefully with more practice next year they will win the Championship. On the other hand, the Football team won four games- good for them! Since Volleyball and Football season are both over now, it's going to be time for BASKETBALL season! We will update you more soon for basketball season for now my SJS Royals.*

"Toughness is in the soul and spirit, not in muscles."
